
SOME AIR-MAIL PLANES, 1918-1930

The Editor was digging around in his desk the other day and found a set of prints that were "lost in the files," to use a not too original phrase. Member Jack McRae of Box #108, Hempstead, N.Y., had sent them in some time ago. He believed the membership might enjoy a set of early U.S. Mail planes. We thought so too.
