2020 AAHS ANNUAL MEETING,

SAN CARLOS AIRPORT & SAN FRANCISCO AREA!

PRIVATE TOURS! BUS-TRAVEL! SPECIAL GIFTS! SPEAKERS! MUSEUM VISITS! FLIGHTS!

SAN FRANCISCO AIRPORT MUSEUM

Friday evening AAHS Members will get a private meal and tour of the archives of the San Francisco Museum, at the SFO Terminal. We'll see the many historic photos of the SFO Library and memorabilia including the large Pan Am Clipper histories stored at SFO!

HILLER AVIATION MUSEUM & SAN CARLOS AIRPORT

Saturday includes a lunch and full tour of the many one-of-a-kind aircraft stored in and around the Hiller Aviation Museum, as well as a talk by a noted historian of helicopter development. We're planning for helicopter flights to be available for those interested at San Carlos Airport (additional cost).

OAKLAND AVIATION MUSEUM

Sunday morning we'll bus those interested to the site of the Boeing School of Aeronautics of 1939, built to train pilots and employees of the Boeing Transport Company. The original hangar now houses the Oakland Aviation Museum aircraft and histories that focus on the many aviation firsts that happened at North Field, Oakland. We'll get the full tour and possibly a review of some rare library finds! As an alternate we are investigating a private invite to Moffett Field and the historic hangars still standing there. Stay tuned!

ONE PRICE for the WEEKEND of AVIATION EVENTS!

\$148 includes bus service to Friday SFO event and Sunday Museum Tour
