2020 ANNUAL MEETING UPDATE

We have contacted our event venues in San Carlos and have MOVED our Annual Meeting to October 2-4, in support of the COVID-19 restrictions. Our SFO Archive tour has been moved, as well as the block reservations for the Fairfield Inn. The Fairfield at the moment, however, has been CLOSED entirely, and used as a quarantine site for a cruise ship containing COVID-19 passengers from March. You may not get an answer for any queries posted at this time.

Our Saturday HILLER lunch program will change to a SUNDAY walking tour, October 4th, as the Hiller Museum was already booked for the Saturday. We are confirming now an opportunity to travel to a smaller nearby airport for our LUNCH program, Saturday October 3, with the addition of some wine tasting, and static aircraft displays.

Stay tuned, more details to follow! We look forward to seeing everyone then!"
